COPYRIGHT WARNING

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material.

Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement.

In accepting material for the Reserve Collection, the Fullerton College Library assumes that the use falls within the Fair User provision of Section 107 of the U.S. Copyright Law (Title 17, U.S. Code).

I understand the requirements of copyright compliance and to the best of my knowledge, the requested use of the material is in compliance with the Fair Use section of the Copyright Law and I assume the responsibility for any necessary permissions. I realize that I may be responsible for any infringement of Copyright Law that results from my noncompliance.
